PURPOSE. The Evening Division was opened in the fall of 1956 for a specific purpose: to provide college-level degree programs of instruction for those who must work during the day. Evening Division classes provide fully accredited, residence credit. Standards of admission, instruction and student performance are maintained at the same high level established for the day program. The University is rapidly developing evening curricula in all three undergraduate schools.

ADMISSION. Students beginning their college careers and students transferring to the University from other schools must apply to the Registrar for admission. The Registrar will provide information concerning admission materials and the required examination. Students are urged to make application as early as possible.

Former and current Memphis State day, Saturday, or evening students in good standing are eligible for evening classes by virtue of their original admission to the school. Former students should notify the Director of the Evening Division of their intention to return to the University to insure that registration materials will be prepared for them.

A \$20 deposit, payable to the Bursar, is required of all students who expect to enroll in the fall semester.

REGISTRATION. All beginning and transfer students will attend an orientation program in the University auditorium on September 11 at 7:00 p.m.

Students whose surnames begin with the letters L-Z will register Friday, September 12 at 6:00 p.m. Those whose surnames begin with A-K will register Friday, September 12 at 7:30 p.m. Students taking both day and evening classes will register in their regular turns during the day. Students registering for both Saturday and evening classes will register with the Saturday students. No one will be permitted to register before his turn.

Each student will pick up his registration material in the Records Office (204 Administration Building) and take it directly to his advisor. When the advisor has approved the schedule, the student will procure his class cards from the card center and return to his advisor. After the advisor has inspected and approved the material, the student will proceed to the director of his school. He will then go to the Bursar's office and pay his fees.

Fees may be paid by cash or check in the Bursar's office or by mailing all registration cards and a check to the Bursar. Make checks payable to Memphis State University. Fees must be paid immediately by one of the methods given, as no student is registered for classes until he has paid his fees.

FEES. The regular fees for the Evening Division are:

Residence	12 Semester Hours or More	Less than 12 Semester Hours
Tennessee	\$ 82.50 per semester	\$ 7.50 per semester hour
Out of State	\$165.00 per semester	\$15.00 per semester hour

This schedule of classes lists only undergraduate courses. Students interested in graduate work should consult the Graduate schedule which lists the evening courses of the Graduate division.
